HOLLYWOOD PRIMARY SCHOOL
An Independent Public School

Schedule of Voluntary Contributions and Charges 2027

Dear Parents and Guardians,

The Hollywood Primary School Board has approved the Schedule of Voluntary Contributions and Charges for 2027.

The schedule is divided into sections, providing a clear overview of potential costs throughout the year. These figures represent maximum amounts and will not be exceeded. Should you require further information or clarification, please contact the school office.

Section A

VOLUNTARY CONTRIBUTION	AMOUNT	PURPOSE
School Voluntary Contribution	$60 contribution per student	School Voluntary Contributions are not compulsory. Funds collected through Voluntary Contributions supplement the cost of curriculum materials, services and facilities as per S99 of the School Education Act 1999.

Section B

A One-to-One iPad program is in place at Hollywood Primary School for Years 5 to 6. Important information about this program will be communicated to parents and caregivers separately. It is anticipated that each student device will cost approximately $500. Participation in this program is voluntary, however strongly encouraged.

VOLUNTARY APPROVED REQUESTS	AMOUNT	PURPOSE
P&C	$50 for 1 student in Kindy $100 for 1 student in PP – Year 6	We are fortunate to have a dedicated P&C community that assists the school in providing an invaluable range of activities and resources for all students. Payment of voluntary approved requests lessen the need for many fundraising activities.
Technology and Curriculum Resources	$17 for 1 student in Kindy $25 for 1 student in PP – Year 6	Students have access to email, the internet, and international learning communities. We have purchased a range of software packages to meet the individual learning needs of our students. Your contribution enables us to continue the growth of this wonderful, but rapidly changing learning tool and provides funds to upgrade and obtain licenses for Software packages.
Pool Voluntary Contribution	$50 for 1 student in PP – Year 6	Supports the ongoing operation and maintenance of the school's swimming pool, including pool servicing, water treatment, chemicals, cleaning, lifeguard and supervision costs, repairs, utilities, and compliance with health and safety requirements.
